LETTER TO EXAMINER REQUESTING
WITHDRAWAL OF THE HOLDING OF ABANDONMENT

Sir/Madam:

In response to the Notice of Abandonment dated April 5, 2001, applicant respectfully requests that the Holding of Abandonment for the above-identified application be withdrawn.

This application was filed on August 14, 1999 under 35 U.S.C. 371, a U.S. National Phase application. At the time the application was filed no check was enclosed. It was not until November 17, 1999, during a review of the file, that it was noticed that the check-box authorizing the commissioner to charge the deposit account had inadvertently been left blank (Exhibit A).

Applicant called the PCT branch of the Patent and Trademark Office on November 17, 1999 and explained that the filing fee had not been enclosed with the application when it was filed and the authorization box had not been checked. Applicant asked how to best proceed under the circumstances. Applicant was advised that it was not a problem, "it was still within the time period" and to "forward the filing fee to the Office" (as noted in the November 17, 1999 memorandum to the file, attached hereto as Exhibit B) Applicant immediately sent a check, accompanied by a transmittal letter and return receipt postcard, to the Patent Office to cover the basic filing fee. (Exhibit C) This check was received by the PCT Branch on November 22, 1999 as evidenced by the date stamp on the return receipt postcard (Exhibit D).

It was later learned that the basic fee had already been charged to the deposit account of the undersigned. Applicant also encloses herewith a copy of the monthly statement from the Patent and Trademark Office (Exhibit E) indicating that Applicant's deposit account was charged the \$840.00 filing fee on August 25, 1999.

Applicant has in fact paid the filing fee twice.

When no Notice to File Missing Parts was forthcoming by April 5, 2000, Applicant again called the PCT Branch of the Patent Office. At that time Applicant spoke with Ms. Veronica Scales. Applicant explained that the fee had been mailed in late and asked if that was the reason that a Notice to File Missing Parts had not yet been generated. Ms. Scales did not have the file, but consulted her computer, and informed Applicant that the fee had been received and offered that the PCT Branch was just running behind. Ms. Scales advised Applicant to send the Declaration in immediately and not to wait for the Notice to File Missing Parts (as noted in the April 5, 2000 memorandum to the file, attached hereto as Exhibit F).

As instructed by Ms. Scales, Applicant filed the Declaration and Power of Attorney as well as an assignment and coversheet. (Exhibit G).

When Applicant did not receive a filing receipt by November 16, 2000 Applicant filed a Progress Inquiry. (Exhibit H). Applicant at no time received any response from the PCT Branch regarding the filing of this application until the Notice of Abandonment was received on April 9, 2001. (Exhibit I)

Upon receipt of the Notice of Abandonment Applicant called Ms. Barbara A. Campbell and described the above circumstances to Ms. Campbell. Ms. Campbell did not have the case available to her but looked for the information on her computer. She said the computer indicated that the basic national fee had not been paid. Applicant explained that it was believed that the filing fee had been paid and further, that documentation existed that the fee had been received in the Patent Office. Ms. Campbell requested that we fax her copies of the above so that she would have the papers in hand when she retrieved the case. A copy of the papers enclosed with the fax to Ms. Campbell, including the confirmation, are enclosed as Exhibit J.

Ms. Campbell was to telephone Applicant as soon as she had retrieved and reviewed the case. It is not known if Ms. Campbell has had the opportunity to review the case but, to date, no contact has been made with the undersigned.

It is Applicant's belief that all instructions given to Applicant by the Office have been followed and that the holding of abandonment should be withdrawn.

Thus, this request to withdraw the holding of abandonment should be granted. If it is determined, after reviewing this letter, that this request should not be granted for some reason, the Office is respectfully requested to call Applicant's representative at the number listed below.

If there is a fee associated with this request, please charge any fee to deposit account number 23/2825.

MEMORANDUM

To: S1022/8141
From: Gail Driscoll
Date: April 5, 2000
Re: Missing Parts

I called the PCT Branch of the Patent Office and spoke with Veronica Scales at (703) 305-3257 regarding the fact that we had not to date received a Notice to File Missing Parts in this application. Ms. Scales told me to file whatever documents we currently had in our file, not to wait for the Missing Parts. The fee had been received no problem. The PCT Branch was running behind and it would be best to send the Declaration in immediately and not to wait for the missing parts.

PROGRESS INQUIRY

Sir/Madam:

Applicant filed the above-identified patent application on August 14, 1999, in the U.S. Patent and Trademark Office. The filing fee, inadvertently omitted at the time of submission, was mailed to the Patent Office on November 17, 1999.

Applicant's representative became concerned that a Notice to File Missing Parts of an Application was not issued by the Patent Office and on April 5, 2000 placed a call to the PCT Branch. After voicing Applicant's concerns to Ms. Veronica Scales, Applicant was advised by Ms. Scales to forward the Declaration and Power of Attorney and Assignment documents to the Patent Office rather than wait for Missing Parts Notice. (Enclosed is a copy of three return post cards indicating that each above-listed submission was received in the Patent Office.)

To date Applicant has not received a filing receipt, please advise.

LETTER

Dear Ms. Campbell:

Pursuant to our telephone conversation of April 12, 2001 I am enclosing a copy of 1) a memorandum dated November 17, 1999 which was written to record a telephone call made to the PCT branch when we realized that the basic filing fee had not been paid in the above-identified application; 2) the transmittal letter which accompanied the filing fee; 3) the date-stamped return postcard indicating that the check was received at the PCT branch of the Patent and Trademark Office and 4) a memorandum dated April 5, 2000 which was written to record a telephone call made to the PCT branch inquiring about the Notice to File Missing Parts which we had not yet received in this application. The above information shows the requisite fee was paid to avoid abandonment.

This letter is being written in response to a Notice of Abandonment dated April 5, 2001 and a telephone conversation with Ms. Barbara A. Campbell.

I understand that you will retrieve the case and call me once you have had an opportunity to review it.

Sincerely,

Re: Missing Parts

I called the PCT Branch of the Patent Office and spoke with Veronica Scales at (703) 305-3257 regarding the fact that we had not to date received a Notice to File Missing Parts in this application. Ms. Scales told me to file whatever documents we currently had in our file, not to wait for the Missing Parts. The fee had been received no problem. The PCT Branch was running behind and it would be best to send the Declaration in immediately and not to wait for the missing parts.

Re: Notice of Abandonment

We received a Notification of Abandonment in this case dated April 5, 2001. I called Ms. Barbara A. Campbell, the person listed on the bottom of the Notice. Ms. Campbell did not have the case available to her but looked for the information on her computer. She said the record indicated that the basic national fee had not been paid.

I explained to Ms. Campbell that we had neglected to pay the basic fee at the time the case was filed, August 14, 1999, but that in a telephone call to the PCT branch of the Patent Office on November 17, 1999 I was instructed to forward the fee to the PCT branch immediately and that we were "still within the time period for filing the fee". The return receipt postcard was date-stamped by the PCT branch on November 22, 1999.

On April 5, 2000 I called the PCT branch of the Patent Office and spoke with Veronica Scales (703 305 3257). I told Ms. Scales that we had not received a Notice to File Missing Parts and we were becoming concerned. Ms. Scales advised me to send the Declaration in and not to wait for a Notice. The Declaration and Assignment documents were filed on April 5, 2000.

On November 16, 2000, not having heard anything in this case, we filed a Status Inquiry.

No response was received to the Status Inquiry until we received the Notification of Abandonment dated April 5, 2001.

After speaking with Ms. Campbell I faxed her a copy of the memo of November 17, 1999, transmittal letter of November 17, 1999, date-stamped postcard indicating the fee had been received and memo of April 5, 2000. I included a letter of explanation outlining the above to Ms. Campbell so that she would have it in hand when she retrieved the file.

Bob Skrivanek reviewed and approved the letter and copies of the above items before they were sent to Ms. Campbell.
